HERO MOTOCORP STEPS UP COVID-19 RELIEF EFFORTS

MANUFACTURES & DISTRIBUTES OVER 5,000 LITERS OF SANITISERS TO AUTHORITIES & THE UNDER-PRIVILEGED

DISTRIBUTES OVER FOUR LAKH PROTECTIVE FACE-MASKS AND THREE LAKH MEALS

Hero MotoCorp, the world's largest manufacturer of motorcycles and scooters, is further enhancing its multiple initiatives towards the COVID-19 relief efforts, by manufacturing and distributing sanitizers to the authorities and people in the under-privileged section of the society.

The Company has already distributed over 5,000 liters of sanitizers as part of this initiative. The sanitizers are being produced at the Company's manufacturing facilities in the country, where production of two-wheelers was proactively halted on March 22, 2020 to ensure the safety and wellbeing of employees.

For the past three weeks, select employees from the production and CSR teams of Hero MotoCorp have been engaged in the manufacturing and distribution of these sanitizers, which are being made as per the guidelines of the Indian Council of Medical Research (ICMR).

Hero MotoCorp has also distributed over four lakh (400,000) protective face-masks already. In keeping with its spirit of innovation, the Company has developed 60 first-responder mobile ambulances that will be distributed to authorities for use in the rural and remote regions of the country. It has also donated 2000 motorcycles to various authorities across the country for use in relief efforts.

The canteen kitchens at the manufacturing facilities of Hero MotoCorp across the country have been involved in preparing meals for the community. The Company has already

Press Release

distributed over three lakh (300,000) meals, with more than 15,000 meals being distributed everyday to stranded laborers, daily wage-workers, and homeless families in several areas of Delhi-NCR, Rajasthan, Haryana, Uttarakhand, Andhra Pradesh and Gujarat.

Hero MotoCorp has also distributed over 6,000 ration kits in the states of Rajasthan, Delhi, Maharashtra and Kerala and plans to keep the initiative running.

The Hero Group has committed a corpus of Rs 100 Crore (US\$ 14 million) as aid for the ongoing COVID-19 relief-efforts in India. Half of this sum, or Rs 50 Crore, is being contributed to the PM-Cares Fund and the remaining Rs 50 crore is being spent in other relief efforts.

The BML Munjal University - run by the Hero Group at Dharuhera in the state of Haryana in India - has offered its 2000-bed hostel for use as an isolation & treatment ward by the local health department
