# Poultry sector: Bird flu yet to hit consumption

THE ALL INDIA Poultry Breeders Association (AIPBA) has

said that consumption of poultry products has not been hit so far even as several states have sounded an alert to contain the H5N8 virus strain of bird flu.

The Centre has issued a bird flu alert in states such as Himachal Pradesh, Rajasthan, Haryana, Kerala and Madhya Pradesh after the sudden death of birds in large numbers.

Suresh Chitturi, vice-chairman, AIPBA and chairman, International Egg Commission, said that the consumption of poultry products has not been impacted so far. "We have to wait and watch and see how this is being projected. The association has approached the government to issue a clarification in this regard," he said. —FE BUREAU

# CIL's e-auction booms hit all-time high of

FE BUREAU  
Kolkata, January 6

**MINING BEHEMOTH COAL** India (CIL) may close the current fiscal, booking 120 million tonne (MT) coal for e-auction, the highest ever since coal sales began through the auction route. This is near double the bookings of 66 MT made for e-auction last fiscal, surpassing the company's earlier estimates of e-auction booking for the ongoing fiscal.

CIL official said, "the company booked 13.1 MT for e-auction during December this fiscal. Even if the same amount is booked each month for the remaining three months this fiscal, e-auction booking will cross 120 million tonne."

CIL booked around 11% of its total production at 602 MT, for e-auction in 2019-2020. If CIL is able to reach its production target of 660 MT, e-auction bookings will be more than 18% this fiscal.

According to a company

official, CIL's efforts to book increased volumes of coal under e-auction, paid off in bolstering sales revenue. In the Covid-induced pandemic additions over the notified price were narrowed down helping the company scoring a strong 76.2% volume growth during the April-December period.

The PSU miner booked 81.4 MT coal under five auction windows progressively up to December, displaying a robust 35.2 MT volume expansion compared to 46.2 MT it booked the same period a year ago. Beginning October of the current fiscal, CIL introduced special spot auction for coal importers, under which it had already booked 7.3 MT in three months.
