Dear Sirs,

With reference to the cited subject, we wish to inform as under:

“The ongoing issue of Coronavirus (Covid-19) in China has affected the supply of some components to our manufacturing facilities in India. This is likely to impact our planned production by around 10% for the month of February. However, the wholesale dispatches of our vehicles to the dealers during the month remain unaffected. Any further impact on our production will depend on the developing situation in China. We continue to track the developments and keep evaluating our options.”

This is submitted for your information and records.

Thanking you,

For Hero MotoCorp Ltd.
